

Sixth Form Bursary

16-19 Sixth Form Bursary: Important information for all Year 12 and 13 students and their parents/carers.

The 16-19 bursary is a government-funded financial support scheme for students aged 16-19 who face financial barriers to participation in education and training. The bursary aims to help young people meet the costs of staying in education, such as transport, equipment, books, and other study-related expenses. You can find more information here <https://www.gov.uk/1619-bursary-fund>

Who Can Apply for the 16 to 19 Bursary Fund?

There are two types of 16-19 bursary: Vulnerable student bursary and discretionary bursaries.

- Vulnerable bursaries are available to young people who are in care, leaving care, or who receive certain benefits.
- Discretionary bursaries are available to young people who face financial hardship and may be used to cover a range of costs related to their education.

Eligibility Criteria

Age

A student must be aged 16 or over but under 19 on 31 August 2023 to be eligible for help from the bursary fund in the 2023 to 2024 academic year.

Students aged 19 or over are only eligible to receive a discretionary bursary if they are continuing on a study programme they began aged 16 to 18 (19+ continuers) or have an Education, Health and Care Plan (EHCP).

Residency

Students must meet the residency criteria in ESFA funding regulations for post-16 provision.

Full eligibility criteria can be found [here](#)

Vulnerable bursary Criteria

Students in one or more of the groups below can apply for a vulnerable bursary of up to £1,200 providing there is evidence of financial need, and the costs are not being met elsewhere. (Evidence of benefits received must be sent with the application):

The eligible groups are students who are:

- in care
- care leavers
- receiving [Universal Credit](#) (UC) because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner
- getting [Employment Support Allowance](#) (ESA) or Universal Credit and Disability Living Allowance (DLA) or [Personal Independence Payments](#) in their own right

Evidence could include:

For students who are in care or a care leaver, written confirmation of their current or previous looked-after status from the relevant local authority – this is the local authority that looks after them or provides their leaving care services. The evidence could be a letter or an email but must be clearly from the local authority.

- For students in receipt of UC, a copy of their UC award notice. This must clearly state that the claim is in the student's name/confirm they are entitled to the benefits in their own right. The evidence must not state any conditions that prevent them from participating in further education or training. For students in receipt of UC, institutions must also see a document such as a tenancy agreement in the student's name, a child benefit receipt, children's birth certificates, utility bills and so on
- For students receiving UC/ESA and DLA and PIP, a copy of their UC claim from DWP. Evidence of receipt of DLA or PIP must also be provided
- UC claimants should be able to print off details of their award from their online account or provide a screenshot to the institution.

In some cases, a young person might meet the eligibility criteria for a bursary for vulnerable groups, but their financial needs are already met, they have no relevant costs or do not need the maximum award. In these circumstances, we reserve the right to refuse the student's application.

Discretionary bursary Criteria

Discretionary bursaries are awards made by institutions to individual students. This is to support the student in overcoming any barriers to their learning and ensure they have the same opportunity as their peers who do not face financial hardship. This could be for the cost of school transport, to buy essential books, equipment, or specialist clothing (such as protective overalls, for example). Decisions about which students receive a discretionary bursary and how much bursary they receive is based on each student's individual circumstances and their actual financial need. These will vary from student to student, depending on, for example, eligibility based on household income, and their actual financial needs. Students can apply more than once if their circumstances change and if this happens, they will be reassessed.

Levels of support is assessed against the household income. Students may apply for a discretionary Bursary if:

The family is in receipt of one or more of the following (evidence of benefits received must be sent with the application):

- [Universal Credit](#) (UC)
- [Employment Support Allowance](#) (Income Related)
- [Child Tax Credit](#) with [annual Inland Revenue assessed income](#):
 - Priority 1 – below £16,190
 - Priority 2 – between £16,190 and 20,817
 - Priority 3 – between £20,817 and £25,521
- Guaranteed element of [State Pension Credit](#).

Based on the information received and the financial barriers identified, students will be eligible to have financial support with the cost of travel, to buy essential books, equipment, clothing, food from the bistro, field trips, the cost of attending university interviews and open days etc.

the level of financial assistance available will vary according to the level of financial need identified.
