13 November 2017

Dear Parents

Year 11 Assessment Week

I am writing to inform you that all students in year 11 will be sitting assessments during week commencing 20 November 2017.

This is to track and monitor your child's progress and this will enable appropriate support to be put into place where required once the examinations are marked. This is a vital year for your child and we want to support him/her to achieve the best possible grades.

I strongly encourage all students to attend school every day in order for them to ultimately achieve their full potential when they eventually sit their forthcoming GCSE examinations. Revision material will be provided to your child and I would like to stress the importance of revising at home in preparation for the assessments and future external examinations.

Students will receive their results through a formal results day on Friday 8 December during period 4.

I enclose for your information the assessment timetable and look forward to your continued support of the Skegness Academy.

If I can be of any further assistance, please contact me at loldfield@skegnessacademy.org.

Yours sincerely

Mrs L Oldfield
Senior Assistant Principal

Enc.

The Skegness Academy is part of the Greenwood Dale Foundation Trust Group of Academies
