

SKEGNESS ACADEMY

Catch-Up Premium 2014/2015

Number of eligible students	60
Catch-up Premium Funding	£30,000

- Funding has been used to substantially fund a fulltime Literacy Mentor and a fulltime Numeracy Mentor

Results 2014/2015

Mathematics

Catch-up premium students making expected progress	70%
Catch-up premium students making more than expected progress	49%

English

Catch-up premium students making expected progress	81%
Catch-up premium students making more than expected progress	68%

- Learning mentors have made a significant impact on catch-up premium student progress throughout the year.
- Intervention is planned effectively and includes 1:1 support (in and out of the classroom) and small group work.
- Learning mentors work closely with the English and Mathematics teachers to ensure that the intervention delivered supports what is being learned within the classroom.
- As well as pleasing academic progress, students have displayed significant improvements in confidence. This has enabled students to display positive behaviours across the site.

SKEGNESS ACADEMY

Improvement in Numeracy and Literacy		
Improvement Initiative	Cost	Description
Learning Mentors	£28,750	Learning mentor delivers 1:1 or small group interventions for pupils who have been identified as needing intervention or additional support
Diagnostic testing	£1,250	For those that join with low literacy and numeracy we test to ensure that there is no SEN barrier to progress and then retest to ensure that interventions are having an impact.
Total planned spend	£30,000
