

The PE Department

Daniel Field – Senior Assistant Principal and Head of Year 11

“My desire to become a teacher derives from my personal experiences within sport and Physical Education. I gained my undergraduate degree and PGCE at the University of Bedfordshire, during this time I spent my summers coaching multi sports sessions at American sports camps. I enjoy teaching a wide variety of sports and also the theoretical aspects of Physical Education with a real passion for the extra-curricular side to teaching.”

Jane Bauckham – Teaching and Learning Lead

"I am a mature, experienced teacher of PE who with 30 years of experience has shared my enthusiasm and knowledge with many pupils and the young teachers I have mentored. I share my passion for the subject with my role of HOY 8. Back in my prime I represented the county in hurdles, high jump and hockey. Due to the continued stress on the body that 30 years brings my pastimes are now horse riding and Pilates."

Chris Harker - Teacher of Physical Education and Head of Year 9

"I am currently in my third year of teaching Physical Education. Within this duration I have gained crucial qualifications and experience within numerous sports which include; trampolining, rugby, football, badminton and volleyball. I also enjoy teaching a variety of different sporting activities ranging from racket sports, invasion games and gymnastics."

Hannah Willis - Teacher of Physical Education and Head of Year 8

"I graduated with a Sport and Physical Education degree at the University of Bedfordshire. I enjoy teaching a wide range of sports at the academy and I am a keen netballer myself, representing the University and more recently the Academy team. A passion of mine is the extra-curricular activities on offer as I believe this allows pupils to find a sport that they enjoy and continue to participate in this post 16."

Keely Bloodworth - Teacher of Physical Education

"I graduated with a sports degree from Northumbria University and trained as a qualified teacher through the GTP at the Skegness Academy. I enjoy teaching the theoretical aspect of Physical Education and have a passion for the practical aspects. I have many years' experience of different styles of dance and outside of education I regularly take part in the ladies netball league and attend the gym. I have a desire to pass on my knowledge, commitment and enthusiasm to the pupils to ensure they lead active lifestyles."

Samantha Fieldman – Standards and Progress Lead

“I graduated with a Sports Coaching and Development degree from the University of Lincoln. I then went on to train to be a qualified teacher at the Loughborough University. I have a passion for all aspects of Physical Education. I really enjoy watching the students develop and achieve, especially when competing. I have also represented the county at Hockey and Football and really enjoy taking part in Skiing.

Kieran Rayner-Mistry – Teacher of Physical Education

“I graduated with a Sports Coaching and Development degree from the University of Lincoln. My desire to teach comes from my personal experiences within sport and Physical Education. From previous experiences and qualifications gained I can teach the vast majority of sports. I enjoy teaching practical and the theory aspect of Physical Education with a passion to develop pupils to their best”.
