Dear Parents and Carers

Last week, when I wrote to you about the industrial action, I said I would send out details of work that your children could be doing when unable to attend this Wednesday. The majority of students will have work on TEAMS however, should your child not have access to this, or no work is available due to staff members striking, please encourage your child to complete a selection of the tasks signposted on the website in the purple boxes using the following link:
