Navigating Teen Relationships 29th November 6-7pm,
FREE TEAMS event sign up required:

When your young person begins to date and become romantically involved with peers, their life can seem exciting, but can also be extremely difficult. Teenagers don't always like to talk about what is happening in their love life however 'Navigating teenage relationships' aims to provide parents and guardians with a toolkit, to support your young person through the complexities of having a healthy relationship.

The Lincolnshire Domestic Abuse Partnership (LDAP) will run a one hour online TEAMS workshop on the 29th November 6-7pm. During the evening LDAP will discuss what young people talk about in Lincolnshire regarding relationships and red flags to look out for in relationships. They will also talk about where help and support can be found and how you can best support as a parent. The team is also happy to answer any questions you may have through the night.
