

LEARNING JOURNEY Creative iMedia

Next Step:

- ☐ Sixth Form
- ☐ College

Home Learning:

To be set weekly
20-30 minutes of work
focused on revision
and coursework based
assignments.

**Year
10**

Terms 4 to 5:

Continue with theory
content and regular
examination styled
questioning for R093.
Mock exam to be sat
during Term 3 and then
actually exam sat in May
2024.

R097 – Topic 1:

Review the different formats of interactive
digital media along with the content,
resources and interaction methods. Designs
for a suitable interactive digital media
product will also be developed during this
time based off the review.

R097 – Topic 3:

Review the interactive digital media product and test
the product based upon success criteria and
performance. Students will use the results and project
requirements to evaluate the product and identify
what went well, what could have gone better and any
areas for improvement/development..

R097 – Topic 2:

Research and review the different assets
(images, audio and video) that can be used in
products along with the skills and techniques
required to create the structure and content
required by the scenario.

Terms 1 to 3:

Working through the assignment brief and completing
all necessary tasks and preparation for R097.
Work will be marked and then moderated at subject
network meetings with staff across the Trust.

**Year
11**

R094 – Topic 1:

Research and review the purpose, elements
and design contained with an organisations
visual identity focusing on colour schemes,
layout, content and typography with clear
links to brand type, style and positioning.

R094 – Topic 3:

Develop a series of assets and resources that can
be used to develop a digital graphic for a set
scenario. Students will use this time to make sure
they demonstrate a wide range of skills and
detailed understanding of suitable file formats
for required purposes of the graphic.

R094 – Topic 2:

Research and review the different concepts
of graphic design and how different
conventions impact styles, design techniques
and file formats (bitmaps, vectors, graphic
properties) along with the impact of
legislation.

Terms 1 to 4:

Working through the assignment brief and
completing all necessary tasks and preparation
for R094.
Work will be marked and then moderated at
subject network meetings with staff across the
Trust.

Terms 5 to 6:

Going through theory
content for the
examination unit R093
ahead of a mock paper to
be sat in the Summer term
to assess progress,
misconceptions and areas
of focus for Y11.

Assessments at Key Stage 4:

To be completed in
line with exam board
set assignments and
external assessment
completed in
May/June series

KS4 –Creative iMedia Learning Journey
