

Week 1

What is a Warm up?

A warm up is a routine you carry out before exercise or playing in a sport.

The purpose of a warm up is to prepare your body (physically and mentally).

A warm up has 4 stages.

Week 2

Warm Up - Stage 1

Pulse raiser

The first stage of a warm up is called a pulse raiser. This is where the performer will carry out activities to **increase** their **heart rate**.

Activities you could do as a pulse raiser include **jogging** or **skipping**.

Week 3

Warm Up - Stage 2

Mobility

The second stage of a warm up is called mobility. This is where the performer will carry out activities to **increase** their **range of movement at their joints**.

Activities for mobility exercises include **ankle rotations** or **hip circles**.
