

AQA GCSE Chemistry

<http://www.aqa.org.uk/subjects/science/gcse/chemistry-8462>

Chemistry 1 includes topics: Atomic structure and the periodic table; Bonding, structure, and the properties of matter; Quantitative chemistry; Chemical changes; and Energy changes.

Chemistry 2 includes topics: The rate and extent of chemical change; Organic chemistry; Chemical analysis; Chemistry of the atmosphere; and Using resources

All exams are 1hr 45 mins long and worth 100 marks

To examine scientific skills, all exams will contain questions referencing 21 practical investigations all students carry out in years 9 and 10. These are completed in the form of a booklet for each investigation.
