Dear Parents and Carers

Students Becoming Ill While at School

Regular attendance is essential for students to take advantage of educational opportunities and reach their full potential.

We understand that students may occasionally feel unwell while at school. In such cases, we have a clear procedure in place: the student should see a member of their year team, who will assess their condition and determine if the student is fit to remain in school. If the student is deemed too ill to stay, the year team member will contact the student's parents or carer to discuss the next steps.

Recently, we have had several instances of students contacting their parents or carers directly via mobile phone to request early dismissal. This is not appropriate and is a significant concern for the Academy. Therefore, we ask all parents and carers to support the Academy by refraining from communicating with their children via mobile phone during school hours and by reinforcing the expectation that students should see a member of their year team if they feel ill during the school day.

Yours sincerely

Mrs S Ferrier

Senior Assistant Principal
