Dear Parents/Carers

**RE: Leading Parent Partnership Award**

From September 2024, the Skegness Academy is working towards the Leading Parent Partnership Award. This award will help us to work in partnership with all parents and carers through increased parental participation in school life to promote improved student progress, punctuality, attendance, and behaviour.

The framework encourages parents to be involved in their children's learning, leading to improved outcomes in all aspects of school life.

The core aims of the award that the Skegness Academy hopes to develop and improve in are:

- Transition – to support parents as their children transition through or between schools.
- Participation - Include all groups of parents in supporting their children's learning and developing their own learning.
- Communication - Take steps to ensure that the school is a welcoming, communicative, and friendly place for parents.
- Guidance - Provide clear and accessible guidance to help parents support their children's learning and development.
- Induction - Provide clear guidance on the responsibilities of parents, school and students, and share this information with parents as a key part of the induction process.
- Home to school links - Produce parent-friendly policies to establish effective home-school links.

I would be grateful if you could take a few minutes to support us as we embark on this award by completing this form - <https://forms.office.com/e/sR5vLNT89y>

Your responses will be used to shape our strategy for the coming academic year with the overall aim of improving the communication and relationship between home and school.

If you have any questions, please do not hesitate to contact me on [oldfield@skegnessacademy.org](mailto:oldfield@skegnessacademy.org)

Yours sincerely,

Mrs L Oldfield
