Dear Student

I am writing to you in order to try and reassure you in these very uncertain and worrying times. At this stage we need to stay safe, keep calm and try to stay focussed with your future plans.

I am aware that you have been interviewed and indicated that you have accepted your place for the Sixth Form in September 2020.

In readiness for the next stage in your educational journey, I would like to support and prepare you for level 3 and Sixth Form study overall. To aid with good mental health and wellbeing, staying focussed and motivated is essential and to this end I have prepared some bridging work as an introduction to Sixth Form life.

In the Sixth Form area of the website there are activities for all the subjects we hope to offer in September 2020. It is imperative that you complete the work for the options you have initially chosen as this will aid and support your future studies in the Sixth Form. Can I remind you that the courses you have chosen are dependent on your GCSE results and will only run if there are sufficient numbers on each subject. Please contact the subject teachers via email with any questions that you may have about the work that has been set. Contact details are listed below:
