

Greenwood Academies Trust Online Careers and Pathways Event for students in Skegness

Tuesday 19th May 2020, 11am - 2.30pm

- This live event will feature presentations from colleges, employers and organisations who specialise in apprenticeships and further/higher education
- Each presenter will share a 10 - 15 minute presentation about opportunities available to you, how to apply for them and other relevant topics
- Please join the event by clicking on the link **from 10.45am on Thursday 19th May**
- The event will start at 11am so please join a few minutes before this but don't worry if you see a blank screen - this just means the event hasn't started yet
- As a participant of the event no-one will be able to see or hear you but you will be able to see and hear the presentations as well as being able to type in questions as people are speaking - these questions will be collated and read out to the presenters when they have finished speaking
- Please don't feel nervous to ask a question as they will not appear on screen and they will be read out anonymously
- During the live event we will also demonstrate a number of good online resources which contain lots of relevant careers and pathways information - your teachers will make a launchpad available to you so you can easily access these websites (please see link below)

- You don't need to stay for every presentation - you are welcome to join for the presentations that are of the most interest to you
- The event will be recorded and made available for you to watch back if you miss anything
