

Online Lessons – English Faculty

Online lessons start on Monday 15 June. All sessions will be set on the pupils' Teams calendar for them to join.

The first time the session is set up the students receive an email asking them to join. But if they have missed it they click on Teams calendar and their group/class will be there at the correct time to click and say join.

If you have any questions or queries, please contact Miss Howard on whoward@skegnessacademy.org
