Dear Year 11 Students,

**RE: Mock Examinations Week 2**

I hope this message finds you well. We are writing to inform you of an important update regarding your upcoming mock exams. Due to the recent school closure, we have made some adjustments to the original exam timetable in order to accommodate the changes.

As a result, your mock exams will now take place according to the revised timetable, which is **at the bottom of this** letter. Please ensure that you carefully review the new timetable and take note of the updated dates and times for each of your exams.

In addition, we understand that this period may feel uncertain, and we want to support you in your revision efforts. To help you prepare over the half-term break, we have also attached an exam preparation booklet. This document is designed to guide your revision and provide useful resources to support your studies in the run-up to your mock exams.

We strongly encourage you to make the most of this time and stay focused on your revision. If you have any questions or concerns, please don't hesitate to reach out to your subject teachers or the Year 11 Team.

We wish you the best of luck with your preparation, and we look forward to seeing you back in school after half term.

Yours sincerely,

C Dunn  
Deputy Principal SKA
