March 2025

Dear Parents

Important Easter Intervention Dates: w/c 7 April and w/c 14 April

As the Easter break is coming up, I wanted to remind you about the important intervention sessions that are happening over the Easter holidays. These sessions are a fantastic opportunity for students to revise key topics and get ready for their upcoming GCSE examinations. Our teachers have planned these sessions carefully to cover important areas, offer extra support, and help students improve their skills.

Why is this important?

- **Focused Learning:** These sessions will help students focus on the most important subjects and fill in any gaps in their knowledge.
- **Better Exam Prep:** By attending, students will get tips on how to approach the exam questions and understand the format better.
- **Increased Confidence:** Revising regularly during Easter will help students feel more confident and ready to do well in their exams.

I highly encourage all students to attend these sessions to help them reach their maximum potential in their forthcoming exams. Please make sure to mark these dates in your calendar so your child does not miss out on this important revision.

If you have any questions or need more information, please feel free to get in touch.

Thank you for your support, and I look forward to seeing all students make the most of these wonderful opportunities on offer to them!

Yours sincerely

Mr Garland-Collins

Mr T Garland-Collins
Progress & Achievement Lead
