

February 2021

Dear Parents/Carers

Year 8 and Year 9 Online Stay Safe Days – Tuesday 2 March 2021

The Safer Lincolnshire Partnership is an agency that addresses community safety issues across Lincolnshire. One of their core aims is to bring together experts and local representatives in order to provide an efficient and effective response to issues affecting Lincolnshire communities and individuals. The named project “Stay Safe” is widely acclaimed throughout the county and aims to ensure that those living in Lincolnshire feel safe and are equipped to cope with any hazard or threat that they may encounter.

The day is an annual event that unfortunately has not, and will not, be able to take place in school this year. However, the Lincolnshire Safeguarding Children Partnership have made the resources available online for students to complete at home, with an opportunity to gain a certificate for each module. On the school website you will find a ‘Stay Safe Day eLearning How to Guide’ which can be used to support students in completing the registration process.

In previous years students at the Skegness Academy have found the day to be extremely enjoyable and informative on the consequences of crime and the decisions that can be made in the buildup to committing a crime. Year eight and Year nine students will receive an email invitation with a link to Virtual College where they will need to follow the instructions found in their email to complete the online modules. Year eight and Year nine will therefore be off their normal timetable for the day. The project is aimed at supporting young people to make knowledge based informed choices and increase the safety of individuals in Lincolnshire.

A range of highly innovative educational techniques will be used to achieve the programme’s goals of turning young people away from crime and its consequences and promoting how important decision making is in all aspects of life including school. Subjects covered on the days are as follows:

Year 8		Year 9	
Module	Created by	Module	Created by
Fire Safety	Lincolnshire Fire and Rescue Service	Road Safety	Lincolnshire Road Safety Partnership
Anti-Social Behaviour	Lincolnshire Police	County Lines and Knife Crime	Lincolnshire Police
Healthy Relationships	Lincolnshire County Council	Healthy Relationships	Lincolnshire County Council
