

**BTEC Applied Science at Skegness Academy
(Need Grade 5 in Science)**

Other post 16 options
A Level Sciences at another institution (need grade 6 or above)
Apprenticeships, other A level subjects, other BTEC subjects, other training, College?

C5.4 Chemical Analysis

**P5.2 Force
Fields**

**B5.3
Controlling
Nature**

B5.4 Evolution

C5.3 Our Atmosphere

**B5.1 Feedback
and Control**

**B5.2
Controlling
Reproduction**

**P5.1 Electromagnetic
Radiation**

11

C5.1 Carbon Chemistry

**C5.2 Controlling
Reactions**

**P4.5
Radioactivity**

B4.5 Ecology

**P4.4 Electric Circuits and
Energy**

**C4.3 Quantitative
Chemistry**

C4.4 Energy Changes

**B4.4 Health and
Disease**

P4.3 Movement

**B4.1 The
Digestive
System**

P4.1 Matter

**B4.2 Circulation
and Respiration**

**B4.3 Plants
and Material
Cycling**

10

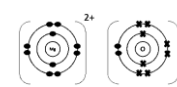

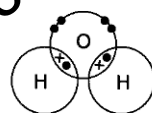

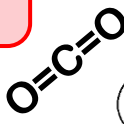

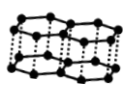

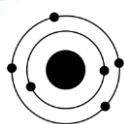

**C4.1 Structure
and Bonding**

**C4.2 Extraction
of Metals**

**P4.2 Energy
Conservation**

welcome

1. Free Science Lessons is a series of recordings explaining GCSE topics, plus exam tips: <http://freesciencelessons.co.uk/>
2. BBC Bitesize is a collection of revision materials, quizzes and tests: <https://www.bbc.com/bitesize/levels/z98jmp3>
3. Physics and maths tutor shares revision notes, worksheets and past paper questions: <https://www.physicsandmathstutor.com/>
4. Quizlet is a collection of flash cards and revision quizzes: <https://quizlet.com/en-gb>
