Dear Parent/Carer,

As part of our work toward achieving the Leading Parent Partnership Award (LPPA), we've taken real action based on your feedback to create stronger connections between school and home. Here's how we're working together to support students, families, and our wider community.

Better Communication & Information Sharing

- We ran a parental communication survey to gather your feedback.
- Promoted all school communication channels – newsletter, school app, website, and Facebook.
- Introduced a regular LPPA section in the newsletter.
- Shared termly curriculum updates so you know what your child is learning.
- Updated student reports to be more parent-friendly and easier to understand.
- Created a clear and visible information board in school for parents and students
- Produced a helpful attendance flyer, available in reception, to support families.
- Regular updates are now shared via Facebook, and the school website has been refreshed to improve access to key information.

Supporting Learning at Home

- Published knowledge organisers online for both students and parents.
- Shared homework booklets and revision resources for Years 10 and 11 via Facebook.
- Hosted two Year 11 Exam Information Evenings for parents and students.
- Kept the Saturday Library open to support independent study and homework.

Your sincerely
