

Dear Year 5 and Year 6 Pupils and Families,

RE: The Skegness Academy Open Evening 2026

Thank you for taking the time to visit the Skegness Academy. We are delighted to welcome you into our school and to give you the opportunity to meet our staff and students, explore our facilities, and experience the vibrant community that makes our Academy such a special place to learn and grow.

Choosing a secondary school is one of the most important decisions families make, and we understand how important it is to find a school where your child will feel safe, happy, supported, and inspired to achieve their very best. At the Skegness Academy, we are committed to ensuring that every young person is known, valued, and given every opportunity to succeed.

Our vision is simple: to put every student on the path to a happy, successful, and fulfilling life. We have high expectations for every child, but we also recognise that every young person is different. That is why we work hard to provide the support, encouragement and challenge that help all students thrive, regardless of their starting point.

We want our students to leave us with excellent qualifications, but we also want them to leave as confident, resilient and ambitious young people who are ready for the opportunities and challenges that lie ahead. Whether their future pathway leads to further education, university, an apprenticeship or employment, our goal is to help them develop the knowledge, skills and character they need to succeed.

There is much to be proud of at the Skegness Academy. Visitors frequently comment on the positive atmosphere around the school, the respectful relationships between students and staff, and the strong sense of belonging that exists across our community. Our students benefit from high-quality teaching, excellent pastoral support, and a growing range of enrichment opportunities that help them discover new interests, develop new talents, and create lasting memories.

We are particularly proud of the culture we continue to build. Our staff are dedicated to ensuring that every student feels supported and encouraged to achieve their potential. We celebrate success, support one another through challenges and work together to create an environment where everyone feels they belong.

Most importantly, our students sit at the heart of every decision we make. Everything we do is driven by our desire to provide the very best opportunities for the young people of Skegness and the surrounding communities. We are ambitious for every child and believe passionately that every student deserves the chance to succeed.

I hope that your visit today gives you a real sense of what our Academy has to offer. If you would like to find out more, please speak to a member of staff this evening or arrange another visit to see the school in action. We would be delighted to welcome you back.

Thank you once again for considering the Skegness Academy. We look forward to hopefully welcoming your family into our Academy community in the future.

Yours sincerely,

Charlotte Dunn
