

SKA Careers and Employability Newsletter

SKEGNESS ACADEMY

Welcome to the Skegness Academy termly newsletter celebrating career related learning and achievements across the school.

We look forward to sharing some of the great practice happening within SKA.

We will continue to develop our Careers and Enterprise offering to all children, tackling stereo-types, broadening children's aspirations and developing children's skills by analysing the data that the children provide us in terms of aspirations, but also by exposing them to a variety of career options. Our work this year will centre around working alongside parents in the hope of better understanding barriers to aspirations and attempting to reduce these barriers and improve outcomes for our children and their families. Going forward we hope to be the link between families and local services such as further education, ensuring that children have a positive view of life-long learning. We also hope to further connect with the local community by inviting parents and family members to share their career experiences with our children.

Congratulations to the Skegness Academy, Beacon Primary Academy, Mablethorpe Primary Academy and Newark Hill Academy on achieving a **Gold Award**, to Danesholme Infant Academy, Rushden Primary Academy, Medeshamstede Academy and Bishop Creighton Academy for achieving a Silver Award and to Welland Primary Academy, Green Oaks Primary Academy, Studfall Junior Academy, Kingswood Primary Academy and Hazel Leys Academy for achieving a Bronze. SKA is now working towards Flagship status

“Work experience is something that has been off the agenda due to the pandemic for the last few years; however it is something that we at the Skegness Academy are passionate about and are looking for all year 10's to participate in meaningful work insight this year”. *Lauren Tyler, Careers Lead at the Skegness Academy*

Skills | Knowledge | Ambition

Together we achieve the extraordinary!
