

## **BTEC Level 2 Award**

The BTEC First in Art and Design is a vocationally related course. We offer the Award at Level 2. The course aims to introduce the learner to Art and Design and develop their skills. All work is mainly practical based with an element of written work.

As part of the course you will gain practical and theoretical knowledge in a broad range of specialisms, these include drawing, painting, graphic design, two and three-dimensional design and art history as well ensuring you have the vocational skills necessary to begin a career or go onto further education in art and design.

All units are internally assessed and graded by subject specialists to meet the criteria set by the examination board. An overall grade for the qualification is awarded to all learners who successfully complete all units. Grades awarded are Pass, Merit or Distinction.
